## Opening and Operating your Offset Savings Account

**If you're considering or have chosen an Accord Mortgages Offset product, here is some information you'll need about how the account is opened and operated:**

- ▶ The Offset savings account is operated by post, a cash card is not issued with the account.
- ▶ Branch counter and contact centre services are not available with this account.
- ▶ The Offset savings balance must not exceed the Offset mortgage balance.
- ▶ No interest is paid on your Offset savings account - interest charged on your mortgage loan is calculated on the difference between the Offset mortgage balance and the Offset savings balance.
- ▶ Your Offset savings account will be opened at the time of completion of your mortgage – up to three Offset savings accounts may be linked to your mortgage.
- ▶ We open the Offset savings account with Yorkshire Building Society, as a trustee of the savings account(s) on your behalf. You will not be a member of, or have any membership rights in, Yorkshire Building Society.
- ▶ A letter will be sent to you on completion of your mortgage detailing your first payment, your savings account number(s) and other important information.
- ▶ Statements will be issued after every 20 transactions or every three months if sooner. However, no statement will be issued if there have been no withdrawals, although your savings balance will be shown on your annual mortgage statement.
