OFFSET PAYMENT DETAILS

With the offset mortgage account you have three options for your payment amount. You can change your offset option at any time during the life of your mortgage by contacting us.

- 1. Net – Reduce current mortgage repayments** Your monthly payment is calculated based on the difference between your mortgage balance and your offset savings balance; so the more savings you have, the lower your monthly mortgage payment will be. You must specify the total amount of savings you will have linked to your mortgage within 30 days of completion to ensure we calculate your mortgage payments correctly. You must make us aware if you reduce your offset savings balance at any time, as your mortgage payments will only automatically be recalculated at our annual review and if savings are withdrawn, you could be underpaying.
- 2. Gross – Reduce future mortgage repayments** You make your monthly mortgage payment as if there was no money in your offset savings account. Your offset savings are used to reduce the interest charged on your mortgage and lower the monthly payment when it is recalculated at annual review. The payment is recalculated, based on the mortgage balance and the remaining mortgage term.
- 3. Static – Pay your mortgage off sooner** Similar to option 2, however a static/fixed direct debit amount is set up and maintained throughout the mortgage term which effectively pays the mortgage balance off quicker. The monthly Direct Debit payment will not reduce even though the registered monthly mortgage payment will. The static payment can be amended at any time. You must specify the amount you want your fixed static payment to be which needs to be equal to or higher than the gross monthly payment to take effect.

Please indicate the payment option you require

<input type="checkbox"/>	Net payment - Enter estimated savings balance here £	<input type="text"/>
<input type="checkbox"/>	Gross	
<input type="checkbox"/>	Static payment - Enter static amount as discussed during your appointment here £	<input type="text"/>

PLEASE USE CAPITAL LETTERS**Your payment date**

A first payment of initial interest will be payable immediately following completion. Your monthly payments will then be due on the first day of the month to which they relate, starting from the 1st of the month following release of funds. With Accord Mortgages' agreement the date that your monthly payments are due can be changed to any date between the 1st and 28th of the month, to help coincide with your salary payment.

1. If you prefer, you may specify a payment date between 1st and 28th of each month. Please enter the date opposite.

Your payment method

Accord Mortgages operates a Direct Debit scheme which provides a simple and convenient way to pay. On page 15 is a Direct Debit instruction form. Please complete it, sign it and return it along with this application form, to ensure that there is no delay in commencing collection following completion of your mortgage. No collections will be taken until after completion of your mortgage, and Accord Mortgages will give you ten working days' notice of any change in the amount or date of your direct debit collections.

If you have NOT completed the Direct Debit form, please indicate how you intend to make payments

- Completing your mortgage
- Administering your account up to and including redemption

- General business purposes.

If you are making an enquiry or application on behalf of another person they must have authorised you to act on their behalf, to give us their personal information, to authorise a credit search and to consent to our use of their personal information. We may also share information about you with a joint account holder if they make an enquiry or further application without you being present where they have confirmed you have authorised them to act on your behalf.

We will share information with one or more Credit Reference Agencies (CRAs), now and in the future, to:

- Check your identity
- Verify the accuracy of the information you have provided
- Assess your creditworthiness and affordability
- Manage your account(s)/relationship with us
- Process your application
- Ensure any offers we send are appropriate to you
- Trace and recover debts
- Prevent criminal activity, fraud and money laundering.

We will continue to exchange information about you with CRAs while you have a relationship with us. We will also inform the CRAs about your settled accounts. If you borrow and do not repay in full and on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs.

When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.

We routinely carry out an additional credit search for account management purposes but this will not affect your future creditworthiness as no hard foot print will be left.

If you are making a joint application, or tell us that you have a spouse or financial associate, we will link your records together, so you should make sure you discuss this with them, and share with them this information, before applying. CRAs will also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation with the CRAs to break that link.

If we use an automated system to make a decision about you, such as credit scoring, we will tell you if your application is rejected and give you the opportunity to discuss the matter with us. The decision can be reviewed to ensure an appropriate decision has been made.

The personal information we have collected from you will be shared with fraud prevention agencies who will use it to prevent fraud and money-laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance or employment in the future.

Further details of how your personal information will be used by us, Credit Reference Agencies and Fraud Prevention Agencies can be found in our booklet "How we use your personal information" which can be found at www.accordmortgages.com or via your intermediary.

The aim is to help us check information provided and also to prevent fraudulent claims. When we deal with your request we may search the register. OFFSET PAYMENT DETAILS

With the offset mortgage account you have three options for your payment amount. You can change your offset option at any time during the life of your mortgage by contacting us.

- 1. Net – Reduce current mortgage repayments** Your monthly payment is calculated based on the difference between your mortgage balance and your offset savings balance; so the more savings you have, the lower your monthly mortgage payment will be. You must specify the total amount of savings you will have linked to your mortgage within 30 days of completion to ensure we calculate your mortgage payments correctly. You must make us aware if you reduce your offset savings balance at any time.
This is because we only recalculate your mortgage payments automatically at our annual review, so if you withdraw savings, you could be underpaying.
- 2. Gross – Reduce future mortgage repayments** You make your monthly mortgage payment as if there was no money in your offset savings account. Your offset savings are used to reduce the interest charged on your mortgage and lower the monthly payment when it is recalculated at annual review. The payment is recalculated, based on the mortgage balance and the remaining mortgage term.
- 3. Static – Pay your mortgage off sooner** Similar to option 2, however a static/fixed Direct Debit amount is set up and maintained throughout the mortgage term which effectively pays the mortgage balance off quicker. The monthly direct debit payment will not reduce even though the registered monthly mortgage payment will. The static payment can be amended at any time. You must specify the amount you want your fixed static payment to be, which needs to be equal to or higher than the gross monthly payment to take effect.
