**INSURANCE ARRANGEMENTS**

You must consider how you would pay your mortgage if you became unemployed, sick or had an accident and therefore could not work. Your financial adviser should give you advice on payment protection arrangements.

It is a condition of your mortgage that your property must be adequately insured. If you are making structural changes to your property that will increase its value, you should review your insurance cover.

**METHOD OF PAYMENT**

If your existing mortgage is paid by one direct debit, the additional loan payments will automatically be collected by the same direct debit. In this case, you do not need to complete a new direct debit instruction form.

If your existing mortgage is paid by two or more direct debits from different bank accounts, Accord Mortgages will automatically collect the additional loan payments from the bank account which pays the main part of your loan. If you want to make alternative arrangements or if you are unsure which bank account pays the main part of your loan, please contact the Mortgage Helpline on 0345 1 200 872 immediately after your additional loan completes.

Accord Mortgages will give you seven working days notice of any change in the amount or date of your direct debit collections.
