

# TARIFF OF MORTGAGE CHARGES

(Known at Accord Mortgages as Prime & Credit repair Loans Administration Fee Tariff)

At Accord Mortgages we are working closely with the mortgage industry's initiative with UK Finance (formerly Council of Mortgage Lenders) and Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles which are being used across the industry to help customers compare mortgages.

When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you

These are the most common charges you may have to pay if you fail to keep up with your mortgage payments. Some charges, for example those covering unpaid/returned direct debits or cheques, occur at the early stages of your inability to pay (arrears). Other charges, for example, relating to repossession/litigation of the property, will apply later in the process and will be dependent on your circumstances so are not included here. All arrears management, litigation and possession fees are for properties in England and Wales. Fees will vary for properties in Northern Ireland and Scotland. The fees quoted for arrears management, litigation and possession fees are all subject to VAT. The fees will be added to your mortgage balance and will accrue interest which is payable by you.
